

Committee on Community of Faith Support Mandate

The following structure was approved by the Prairie to Pine Regional Commission on November 09, 2018 and amended on _____, based on the position descriptions for the Pastoral Relations Minister in the Region, the responsibilities and roles related to the scope of work for regional councils related to the above work outlined in The Manual (2019), the structural options, regional contexts and volunteer capacity.

A **Committee on Community of Faith Support** was established in *the* Region to oversee and coordinate the Region's responsibility to support Communities of Faith in their life and work in regards to the following:

- Providing oversight of preparation of C of F Covenants with the assistance of Ministry Personnel/PC Supervisors [The Manual C.2.1]
- Receiving "regular" self-assessment reports from C of Fs re: Covenants [The Manual B. 2.1 (b); C.2.3(a)]
- *Promoting United Fresh Start (UFS) as a resource to aid in building healthy pastoral relationships, and arranging, in consultation with UFS Facilitators and Pastoral Relations Commission, for Communities of Faith to access UFS facilitators.*
- Supporting Communities of faith in structural changes, amalgamations, realignments and disbanding and recommending any actions to the RCE (The Manual C.2.1(d))
- Supporting emerging new ministries [The Manual C.2.3 (b)]
- Ensuring compliance with policies and polity, and reviewing any relevant records [The Manual C.2.3(e)]
- Assisting the RC to ensure completion of statistical forms by C of F [The Manual J1.4]
- Providing education and resources for providing safe and accessible communities, including compliance with all United Church of Canada (The Manual J.12.1) and government requirements
- Supporting networks and clusters that are established related to the above.
