

Prairie to Pine Regional Council
Lay Worship Leaders and Retired Designated Lay Ministers
July 1, 2023 – June 30, 2024

Prairie to Pine Regional Council is blessed by many trained lay people who serve the Church as Licensed Lay Worship Leaders or Designated Lay Minister. These folks have taken the required training and been licensed as those who are equipped to provide Sunday morning worship on a supply basis.

A pastoral charge must issue T4As to those Lay Worship Leaders to whom they have paid more than \$500 in a calendar year. Prairie to Pine Regional Council does not currently have a policy on minimum salary for LLWL services. Conversations about remuneration should take place between LLWL and pastoral charge when services are booked.

Lay Worship Leaders are not intended to provide continual coverage every Sunday to a pastoral charge. There are many different circumstances of pastoral charges in our Prairie to Pine Regional Council that require the reliance upon our Licensed Lay Worship Leaders but in general it would be encouraged to use a variety of LLWLs over the year. Designated Lay Ministers who are receiving pension are eligible for appointments. The Pastoral Relations Commission has yet to set a policy naming a specific number of Sundays per month.

The information is organized geographically from east to west in terms of where the Lay Worship Leaders are located. It includes church where membership is held, email, phone contact and general area where Lay Worship Leader is willing to offer services.

Group A- East of Winnipeg
